

Specification

Dear Supplier,

Please find attached the latest specification for the following article:

Roche Material-No.	Article description	Supplier Material-No.	Issue-No.	Effective from

Please acknowledge the receipt of the specification and the implementation in your manufacturing process with your signature on this document and return it to:

e-Mail: global.specification-management@roche.com

Please tick the point of implementation:

- ☐ implementation with the next order
☐ implementation with the already given orders, from order no.:

In case of any objections and / or comments to the specification please raise them in a written form within the next 14 days.

If a purchase order is placed within these two weeks it will be based on the new version of the specification. Your company should dispose of all previous versions since they are considered no longer valid.

Kind Regards

Roche Diagnostics GmbH
